**BUCHAN'S DOMESTIC MEDICINES.**

It is a well known fact that **SARSAPARILLA** is the **GREATEST PURIFIER OF THE BLOOD** in the  
world. Keep your blood pure, the bowels regular, and defy the doctor. These pills strike at the root of each  
disease, and are for the cure of every eminent incident in man, woman, and child, such as all eruptions on the  
skin, indigestion, rheumatism, liver, and Stomach Complaints, General Weakness, Gout, Rheumatism, Lumbago,  
Pains in the Limbs, Headache, Sore Throat, and every complaint caused by irregularities of the bowels,  
obstructed perspiration, and debilitated and unhealthy blood.

These Medicines are composed of **VEGETABLE EXTRACTS ONLY**, and guaranteed free from deleterious  
matter. The Pills are perfectly dressed in sugar, and can be taken by the most delicate and sensitive, even by  
children as they would a sugar plum. They are capable of searching out every disease, be it in the blood, liver,  
heart, or any other part of the body, restoring health and increasing the natural vigour of the nervous system,  
acting gently on the old, young, weak, and strong.

Purity of blood, with consequent health, cannot be maintained unless the stomach has been made to do its  
work. Strive at the root of the matter: let the source be clear, and the stream will be pure; drain the blood  
from all impurities by means of the stomach, and the liver, lungs, heart, kidneys, and bowels, will act properly,  
 whilst the brain will be rendered strong, and fit to partake of all God's bountiful blessings.

**BUCHAN'S**  
**INVIGORATING VEGETABLE ESSENCE,**

For **NERVOUS RELAXATION** and **GENERAL WEAKNESS**, at once restores and invigorates with magical  
rapidity the most debilitated Constitution, thereby ensuring permanent health, increased strength, energy, and a  
redoubled development of the muscular system. Failure is impossible, for success is as certain as that daylight  
follows darkness. The only infallible remedy for acquired heat and general debility, nervous prostration, depres-  
sion of spirits, diminution of vital energy, emaciation, and for all remote complaints. This medicine not only  
restores health and strength at once, but increases the natural vigour of man in youth, maturity, and old age.  
The properties of this invigorating Essence act directly on the nervous and muscular system,  
enriching, invigorating, and purifying each particular vital fluid; its action is never failing, and in perfect accordance  
with the laws of nature. As the falling rain vivifies the parched vegetation, so will the power of this all potent  
agent restore the lost strength and energy of all who suffer from exhaustive debilitation, which so few of the  
medical profession attempt to treat.

This Essence is highly esteemed in the East and West Indies, for nourishing and invigorating the nervous  
system, and acting as a general restorative on debilitated constitutions, arising from various complaints contracted  
in hot climates. The studious as well as the sedentary part of the community should never be without Buchanan's  
Invigorating Essence, which removes diseases in the head, invigorates the mind, improves the memory, and  
enlivens the imagination.

Constitutions relaxed, weak, or decayed, in men or women, are under the immediate influence of this  
restorative. Old coughs, asthma, and convulsive habits, are soon relieved, and speedily cured. Poverty of  
blood and emaciated limbs will, ere long, meet the happiest change; the child watery field will become rich and  
balmy, and the limbs be covered with flesh, firm, and healthy.

For **BOTTLE**, 4s. 6d., & 11s. or four times the quantity, 33s. Sterling.
